MISSION

The School Board of Miami-Dade County, Florida (The Board) created The Ethics Advisory Committee (EAC) to help ensure the integrity of The Board's decision making processes and to restore public confidence in our public schools. The purpose of the EAC is to promote the public trust, by among other things, educating the public, candidates for election to the board, Members of The Board and employees of Miami-Dade County Public Schools as to the required standards of ethical conduct, clarifying those standards of conduct and recommending changes to the various rules and regulations which set forth the governing standards of ethical conduct.
