2. Please complete all required areas. Failure to sign and/or complete all sections may result in the application not being processed.
3. All applications will be processed only at the office of School Choice & Parental Options. Please send your applications directly to the office as listed below. Students may apply to a maximum of five (5) schools (one (1) PROGRAM per school). If more than five (5) selections are made, we will process only five (5) and reserve the right to make this application void.
4. School Choice & Parental Options will only process the official Magnet Application Form. Any documents, transcripts, recommendation forms, etc., required by individual schools, MUST be sent directly to the attention of the Magnet Lead Teacher at the individual schools to which you are applying. Items other than the official Magnet Application Form sent to School Choice & Parental Options will be discarded.

Preference is given to eligible applicants with older siblings currently attending and who will be in attendance at the same magnet school during the school year for which you are applying. Siblings will be accepted based upon the availability of open seats in the grade level for which the student is applying. Sibling preference does not apply to students applying for Visual & Performing Arts programs. The sibling must reside in the same household as the student who is applying, or documentation of joint custody must be provided.
7. If your child does not already have a Miami-Dade County Public Schools Student Identification Number, you should write "NO ID" on the application in the area labeled M-DCPS Student ID Number. Our office will issue an ID number with the information you provide on this application.
