

**Citizen Participation Groups
in
Miami-Dade County Public Schools**

2013-2014

Updated February 27, 2014

Office of Public Relations

Mr. John Schuster

Administrative Director, Office of Public Relations

Foreword

Miami-Dade County Public Schools has traditionally enjoyed one of the most extensive networks of community support to be found in any educational district in the nation.

This document, which reflects that support, contains a comprehensive list of the District's support groups, committees, councils, coalitions, task forces, and other organizations that advise the School Board and District staff.

Membership in these groups consists either entirely or partly of lay citizens. Advisory groups, councils, and task forces comprised solely of Miami-Dade County Public Schools' staff members and employee union representatives are not listed.

Special Note

All prospective and current individuals who are not employees of Miami-Dade County Public Schools and who voluntarily serve on any advisory committee for the School Board of Miami-Dade County, Florida, are public officers who must comply with the applicable provisions of Florida's Code of Ethics, Chapter 112 of the Florida Statutes. As a committee member, they agree to conduct themselves in accordance with the highest ethical principles in the course of participating in School Board related activities. They will be required to sign a Certification of Compliance prior to serving on any advisory committee.

Each listing includes the name of the group, its Miami-Dade County Public Schools' bureau or office affiliate, its staff liaison or contact person, a brief statement of its mission, a summary of the composition of its membership, and a list of current members.

Because of the nature of these groups, information regarding each listing is subject to change. Such changes should be reported to Mr. Rolando A. Martín, Director, Community Development and Public Outreach, Public Information, by e-mail to RAMartin@dadeschools.net or by fax to 305-995-1151. For additional information or questions, please call Mr. Martín at 305-995-1128.

Citizen Participation Groups in Miami-Dade County Public Schools

Citizen Participation Groups Defined

A District Advisory Committee:

- Has a mission, defined by Miami-Dade County Public Schools, to advise staff or the Superintendent and, through them, the School Board.
- Has a structured membership that reflects a balance of interests, races, genders, ethnicities, and the viewpoints of professionals, students, and lay persons.
- Exists for an indefinite period of time.

A District Ad Hoc Task Force:

- Has a narrow scope of mission to examine and make recommendations on a specific issue.
- Has a membership that varies, subject to the issue being studied.
- Ceases to exist upon completion of its task.

A District Independent Parent/Citizen Group:

- Has a self-described mission and function that is not limited to advising Miami-Dade County Public Schools.
- Has an open membership that does not reflect the typical advisory structure.
- May or may not have an independent funding structure (dues).
- Is associated with Miami-Dade County Public Schools and mutually supportive of its goals and mission.

A District Independent Advisory Panel:

- Provides professional expertise to Miami-Dade County Public Schools' offices on a needs basis.
- Has a limited, professional membership that is not structured to include nonprofessionals, students, or others who typically serve on advisory committees.
