**M-DCPS, BANK OF AMERICA TO HOLD 'PRINCIPAL FOR A DAY®-2011'
ON NOVEMBER 16**

MIAMI – On Wednesday, November 16, more than 375 of Miami-Dade County's business and civic leaders will take a break from their daily responsibilities to head to the principal's office, where they will learn what it takes to run the county's public schools as part of Miami-Dade County Public Schools' Principal for a Day® program.

The program's goal is to turn the leaders' one-day experience into a long-term and active partnership with schools, enhancing overall student achievement and resulting in a stronger, more educated workforce.

Principal for a Day® is possible with the support of Bank of America and in partnership with THE COALITION of Miami-Dade County Chambers of Commerce.

Miami-Dade County Public Schools

Principal For A Day®

Building a Greater Miami... one partner at a time

With the support of Bank of America, and in partnership with The Coalition of Miami-Dade County Chambers, Principal for a Day® gives local business and community leaders the opportunity to actively transform public education.

Invest a day serving as “principal”, and then commit to become a Dade Partner of the school where you serve. Miami is a crossroads for international trade and economic development. We must harness the talent, skills and resources of all sectors to assure that our students receive the world class education they deserve.

Kick-off Breakfast: Tuesday, October 25, 2011
School Experience: November 16, 2011

Miami-Dade County Public Schools

Principal TODAY

The Power of Connection

Principal TODAY continues Miami-Dade County Public Schools' annual tradition of engaging business/community leaders as principals for a day in an effort to build long-term business/school partnerships that benefit students.

As a business leader, you have unique insights and experiences to share. By assuming the role of principal, you can learn the rewards and challenges of operating such a complex and important entity as a public school and forge an ongoing partnership from which everyone profits.

A world-class education system is critical for growing jobs and keeping our graduates in our community. With the support of Bank of America and The Coalition of Miami-Dade County Chambers of Commerce, business and community leaders can take an active role in supporting public education, the foundation for our future economic success.
