**CAMBRIDGE**  
International Examinations

## The Benefits

1

### Challenging Academics

Part of the University of Cambridge's Cambridge International Examinations, the AICE Diploma Program is a flexible, accelerated, academic experience for highly motivated learners. Students select from a broad range of courses and are challenged to work at the highest level of international standards.

2

### Balanced Curriculum

Diplomas are granted to students who earn 6 or more credits by passing end-of-course exams at the AS level (single credit) and A level (double credit) with at least one course / passed exam from each of the three content groups, Mathematics & Science, Languages, and Arts & Humanities.

3

### Scholarships and College Credit

In addition to qualifying for the maximum Florida Bright Futures tuition scholarship, diploma recipients can earn up to 45 hours of college credit. Students who complete the AICE curriculum and assessment program have a solid foundation for university study here in the US or abroad.

4

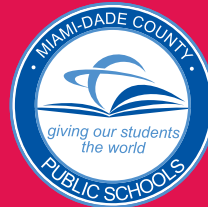

### A Proven Record of Success

AICE Diploma recipients have a proven record of success at the university level.
