Content Area	Science
Type of Service	Leadership Support
Date of Service	2/3/2014 8:45 AM
Additional Participants	Dr. Millard E. Lightburn (Science Supervisor), Mary Tweedy (CSS), Dr. Kelli Hunter (Principal), grade 5 science teachers and iHeat CSS
Description of service to be provided	Dr. Hunter, Kelli, Met with Principal and Grade 5 teachers to review Science Winter Interim results and identify weakest benchmarks, aligned students with weakest benchmarks, identify resources to be used during intervention.
Summary of visit/required follow-up	We reviewed the Grade 5 Science Winter Interim results. Grade 5 Science satisfactory level was at 21%. We identified weakest benchmarks to be addressed under intervention program which will be held Monday and Thursday 3:00 – 4:00 pm. We also identified the top 45% of students that will participate in the intervention program. We also identified the following resources to be used during intervention: Gizmos, FCAT Explorer, BrainPop, Extended Learning Modules and Focus Achieve. Ms. Tweedy and iHEAT CSS will assist with developing the intervention plan. Strengths: • Intervention had already initiated; however, we identified benchmarks to be addressed. One of the grade 5 teachers will lead the intervention program. •Meeting was very productive and administration is very supportive of the need to establish a targeted intervention plan. •Weaknesses: Grade 5 teachers are two weeks behind in the Pacing Guide. Follow Up: •School will

provide a schedule for Grade 5 students to use computer lab for use of instructional technology. •Ms. Tweedy and iHeat CSS will assist with developing intervention plan •Ms. Tweedy will continue to provide push-in support to Grade 5 classes •Administrative team will continue to monitor implementation of action steps of the implementation plan.
