## Destiny Support

Here you'll find links to documents that contain instructions and step by step guides to certain Destiny functions such as changing passwords, printing barcodes, editing the Destiny Homepage, and much more.

Use this information to learn new ways that Destiny can help you manage your day and make your work easier.

Many of the documents located here reflect some of the most frequently asked questions. As needs change, we will include new information that will help you get the most out of Destiny.
